Celebrate the Snow

As part of the Fitness Grant for Newburgh students, staff from WinterKids will be doing an active academics workshop for all of our students. The students will have a nutrition learning adventure on snowshoes, to show them we can be active and learn outdoors in the winter with or without equipment. Children need to come prepared to go outside for PE classes on Tuesday. They will need snow pants, boots, mittens, hat and coat. All snowshoes will be provided by the WinterKids instructors. Snowshoes are not safe objects to be carried on a school bus.

Please make sure your child has a change of clothes here at school. It will save a trip if we already have them on hand. It is important that all of your child's outside clothing is marked with his/her name on it. Our lost and found becomes rapidly full this time of year, and it is much simpler to get items home if we know to whom they belong. We also ask that children have shoes to change into from winter boots as their feet get hot and uncomfortable. On P.E. days it is especially important they have sneakers for class. If you have any questions, please call the office and speak to Mrs. Leavitt. Thanks for your cooperation!
